

Respireo Soft Full Face CPAP Mask Sizing Guide

Instructions:

1. Print this page without any page scaling. Use a ruler against the scale at the bottom of the guide to check it has printed at the correct size.
2. Cut out the guide along the dashed lines.
3. Choose the smallest size that goes from just under your bottom lip to the top of your nose, as show in the diagram on the guide itself. If in doubt then choose the bigger size of the two.
4. Order your Respireo Soft mask from intushealthcare.com
